(same progression as the first verse)

remember what I lost like hot coals in my hand from days gone by

like Pandora adored the euphoria as her heart raced  
like love lost you've got to try even in vain  
feels like you'll go insane  
but you're the hardest instrument that I've ever had to play

CHORUS

<b>Abm</b>	<b>Bbm</b>	<b>Ebm</b>
so why don't we fall into the waves?		
<b>Abm</b>	<b>Bbm</b>	<b>Ebm</b>
can't you see how my heart yearns to misbehave?		

CHORUS

<b>Abm</b>	<b>Bbm</b>	<b>Ebm</b>
so why don't we fall into the waves?		
<b>Abm</b>	<b>Bbm</b>	<b>Ebm</b>
can't you see how my heart yearns to misbehave?
