Noiseworks " Take me back

**E** **A** **B**  
You never expect it to be in your wildest dreams

**E**  
So take a step backwards for a little while

**A** **B**  
You ll find it there

**A** **A**  
It s something that I can t explain

**B** **B**  
So I remain trapped inside

**A**  
Still holding strong

**A** **B** **B**  
Still holding on to you, to you

**E** **B** **A**  
Take me back to you, it s been a long time

**A** **E** **B**  
Although woh every night I think of you

**A**  
It s such a lonely life

**E** **A** **B**  
I watched you wave goodbye as you drove away

**E** **A** **B**  
I didn t know that it would be your last time with me

**A**  
You said - life ain t worth living if nobody cared

**B**  
You said that all the time, oh

**A**  
I take a step back and see your staring eyes

**B**  
I see you on the day you died

Take me back to you, it s been a long time  
Although woh every night I think of you

It s such a lonely life

**E** **B** **A**  
Take me back to you, take me back to you  
(**E E A B**) x2

Take me back to you, it s been a long time  
Although woh every night I think of you  
It s such a lonely life, oh oh

**E** **B** **A** **E**

Take me back to you, take me back to you
