Nomy

**G#**

1. You re walking on a long road on your own,

**Eb**

don t know where it ends but you got to go

**Fm**

You re walking with a broken dream alone,

**C#**

**Eb**

**G#**

you re walking on a long road on your own

**G#**

You left it all behind just to start again,

**Eb**

trying to understand what you want to do

**Fm**

But you will rather walk in the pouring rain

**C#**

**Eb**

**G#**

and you will rather die than to feel the same

**Fm**

**Eb**

**C#**

When you were close loose it all fall apart

**G#**

**Eb**

**C#**

Then I found you and I reached in to your heart

**Fm**

**Eb**

**C#**

When you were close to let it go and turn back home

**G#**

**Eb**

**C#**

Then I found you and I told you to move on

**G#**

2. You were walking on that road night and day,

**Eb**

fighting disappointments one at a time

**Fm**

And every step you took walking that way,

**C#**

**Eb**

**G#**

you got a little closer to be fine

**G#**

Never to look back for another try,

**Eb**

put your time in what you really want to be

**Fm**

Never stop for what you know is just a lie,

**C#**

**Eb**

**G#**

walking on a road called clarity

**Fm**

**C#**

When you were close loose it all fall apart

**G#**

**Eb**

**C#**

Then I found you and I reached in to your heart
