**Cocaine**
**Nomy**

I think it sounds good with a capo on 1st fret..

[Verse]
**C#m**
You are in Pain
**E**                                                          **B**
Take your life, take your life with cocaine

But I am who I am
       **F#m**
so I do what I can, when I can
                                        **C#m**
but I can t really do a damn thing

[Instrumental]
**C#m E B G#m B**
**C#m E F#m G#m E B C#m**

[Verse]
**C#m**
So fine this day
**E**                                        **B**
all your problems has gone away

but tomorrow, when you wake up
**F#m**
all your problems are back to stay

**C#m**
Your life, a game
**E**
turn it up, turn it up with cocaine
**B**                                              **F#m**
And every time that you live is a time when you feel

and the only time you heal

[Bridge]
**C#m**
Tell me what it is

and it would never be like this
          **E**
A problem that we have in common

baby tell me what it is
                 **B**                     **F#m**

it probably doesn t mean a piss
      C#m
yeah rip my heart apart

[Chorus]
C#m                          A          E
Now it s too late, too late to live
      B                C#m
only heaven loves you now
     A              E          B
so love it back for once, just once

               C#m        A          E
Now it s too late, too late to live
        B                  C#m
and my conscience killing me
   A            E        B
so am I alive but Im not free

[Post-Chorus]
          A        F#m           E               B
and for all of you that can relate to this too
          A        F#m             E
and for all of you that can relate to this too

[Verse]
C#m
White snow I know
E                                              B
You re on a place where I just can t go

But I hope you do remember
F#m
your snow doesn t warm you in december

C#m
You are in Pain
E                                              B
Take your life, take your life with cocaine

But I am who I am
      F#m
so I do what I can, when I can
                              C#m
but I can t really do a damn thing

[Chorus]
C#m                          A          E
Now it s too late, too late to live
       B                C#m
only heaven loves you now
     A              E          B
so love it back for once, just once

```
              C#m            A        E
Now it s too late, too late to live
        B                    C#m
and my conscience killing me
     A            E        B
so am I alive but Im not free

[Post-Chorus]
          A      F#m            E              B
and for all of you that can relate to this too
          A      F#m            E
and for all of you that can relate to this too

[Bridge]
C#m
Tell me what it is

and it would never be like this
            E
A problem that we have in common

baby tell me what it is
              B              F#m
it probably doesn t mean a piss
       C#m
yeah rip my heart apart

[Verse]
C#m
You are in Pain
E                                          B
Take your life, take your life with cocaine

But I am who I am
      F#m
so I do what I can, when I can
                              C#m
but I can t really do a damn thing

[Chorus]
C#m                      A        E
Now it s too late, too late to live
        B              C#m
only heaven loves you now
    A              E          B
so love it back for once, just once

              C#m            A        E
Now it s too late, too late to live
        B                    C#m
and my conscience killing me
     A            E          B
```

so am I alive but Im not free

[Post-Chorus]
         A        F#m                E                B
and for all of you that can relate to this too
         A        F#m                E
and for all of you that can relate to this too

Now it s too late(x13)
