E-----|-----|-----|---3---3--|
```

Vers

```
Am                C                G
Taking you for granted How did you end up here
Am                C                G
All the dark around you still you feel no fear
```

Chorus

```
F                C                G
But why do you sleep outside
F                C                G
when you are cold where can you go
```

God said no

Intro

Vers

```
Am                C                G
What you have done I dont mind to bring you home
Am                C                G
Mad of silence mad of pain and all alone in poring rain
```

Bridge

```
F                Am
I dont have to walk by in shame or guilt
G
Cause this is not what I have buildt
F                Am
I dont have to walk by in shame or guilt
G
Cause this what I allways felt
```

Chorus

```
F                C                G
So why do you sleep outside
```

when you are cold where can you go
