^^

A **E** **F#m**
You said you re just one in the crowd
 E **D**
But your laughter is way too loud
 E **A** **E**
You filled the darkest room with light

A **E** **F#m**
Your life has complicated you
 E **D**
But you know just what to do
 E **A**
The light you give is not in you

F#m **D**
Hold your head up high
 A **E**
And this pain will die
D **E** **A**
Somehow, somewhere, just try
 F#m **D**
You re living in the dark
 A **E**
Where no one can see your tears
 D **E** **A**
But hold your head up high

A **E** **F#m**
Can you tell me that I m wrong?
 E **D**
Don t keep your broken heart too long
 E **A** **E**
Deep inside you growing strong

A **E** **F#m**
Look beyond your life today

E **D**

Can you see yourself this way

E **A**

When the wintercold is gone

F#m **D**

Hold your head up high

A **E**

And this pain will die

D **E** **A**

Somehow, somewhere, just try

F#m **D**

You re living in the dark

A **E**

Where no one can see your tears

D **E** **A**

But hold your head up high
