^ ^

A E F#m

You said you re just one in the crowd

E I

But your laughter is way too loud **E** A

You filled the darkest room with light

A E F#m

Your life has complicated you

E I

But you know just what to do

E A

The light you give is not in you

F#m D

Hold your head up high

A I

And this pain will die

D E A

Somehow, somewhere, just try

F#m I

You re living in the dark

A 1

Where no one can see your tears

D E A

But hold your head up high

A E F#m

Can you tell me that I m wrong?

Don t keep your broken heart too long

E A E

Deep inside you growing strong

A E F#m

Look beyond your life today

When the wintercold is gone

F#m D

Hold your head up high

A E

And this pain will die

D E A

Somehow, somewhere, just try

F#m D

You re living in the dark

A

Where no one can see your tears

D E A

But hold your head up high
