You Better Die Young
Nomy

[Verse]
Am
Hey little girl on your way to class,
F
loved by all cause you got that ass,
C
Cutest eyes and the greatest smile
      G
for a year for a time for a little while.

Am
somebody told me that you got old,
F
looking for someone is made of gold.
C
Hey little girl on your way to class,
    G
in a year they ll be gone cause you are an ass.

[Chorus]
Am   **F**
no one s gonna love you when your old.
                      C   **G**
That s what they told, you better stay young baby.
Am   **F**
no one s gonna care when you are gone,
           C   **G**
so if your done you better die young baby.

[Verse]
Am
Hey little girl on your way to prom,
F
one little night and your life is gone,
C
all that you had a is a farytaile now you re
G
standing alone wondering why did you fail?

[Stickythingy]
Am
somebody told me that your okay
F
somebody told me you passed away.
C   **G**
life ain t coming back for you.

[Chorus]
Am   **F**
no one s gonna love you when your old.
                        C   **G**
That s what they told, you better stay young baby.
Am   **F**
no one s gonna care when you are gone,
              C   **G**
so if your done you better die young baby

[Stick]
F   **C**
Why don t they ever speak of you now
        G
Is it too much to do
              C   **G**
Who gives a shit about you
F   **C**
Why do you remember me now
              G
When you re old and you re blue
                C
Won t give a shit about you

[Verse]
Am
One little boy on his way to school
F
Nobody likes him cause he s not cool
C
Thin little arms and an ugly smile
        G
For a year, for a time, for a little while

Am   **F**
How could you leave him alone
C   **G**
Now when he s gone

[Chorus]
Am   **F**
no one s gonna love you when your old.
                        C   **G**
That s what they told, you better stay young baby.
Am   **F**
no one s gonna care when you are gone,
              C   **G**
so if your done you better die young baby

F   **C**
I can t love you any more
        G
I got so much to do

```
             C      F
Won t give a shit about you
        C            G                   Am
So baby, now lately, you remember me

[Chorus]
Am                                  F
no one s gonna love you when your old.
                C           G
That s what they told, you better stay young baby.
Am                              F
no one s gonna care when you are gone,
          C               G
so if your done you better die young baby

F                             C
Why don t they ever speak of you now
       G
Is it too much to do
           C         G
Who gives a shit about you
      C         G                  Am
So baby, now lately, you remember me
