NONONO - Pumpin Blood (2013)

Chords 23/6-2013 by Jon Malmin (jogusmal@hotmail.com)

Tuning: Standard E

Every verse and chorus has the same chords, so I ll just write them above the first one of each.

Intro:

G C
G G C C Em Em D C C

G

Hey ho, on the road again

C

Moving on forward

G

Stick and stones won t break our bones

C

We re in the car on the highway

Em D C

It s so magical feeling that no one s got a hold

Em D C

You re a chalice to your own happiness you know

G

Cause it s your heart, it s alive

C

It s pumping blood

Em

And it s your heart, it s alive

D C

It s pumping blood

And the whole wide world is whistling!

Whistling interlude:

G G C C Em Em D C C

Hey ho, on the run again

Drive is strong onwards

Stick and stones won t take its course

Got the part in a frenzy

It s the best, the world s feeling

Like nothing can go wrong

You re the decider of the world that you will get to know

[Chorus]

[Whistling interlude & percussion break]

G

Hey ho, on the road again

C

On a highway, on a highway

G

Hey ho, on the road again

C

On a highway, on a highway

[Chorus]

[Whistling interlude, then song ends]
