

After the fall
Norah Jones

Usar braçadeira capotraste na 1ª casa

INTRO: (Dm Am G Gm7)

(Dm Am G Gm7)

I never told you about the summer
Everyday was changing
Only photographs

Am7 Gm7

But life goes on

Am7 Gm7

In my mind so warm

(Dm Am G Gm7)

Out on my own now
And I like the way it feels
Didn't I come through
You were too far gone

Am7 Gm7

After the fall

Am7 Gm7

Do you still want it all?

Instrumental: (Dm Am G Gm7)

(Dm Am G Gm7)

You never told me about the winter
Everyday was changing
But I remember

Am7 Gm7

But life went on

Am7 Gm7

In my mind so cold

(Dm Am G Gm7)

Out on your own now
Do you like the way it feels?
Didn't I come through?
You were too far gone

Am7 Gm7

After the fall

Am7 Gm7

I still want it all

Instrumental: (Dm Am G Gm7)
