

Be My Somebody
Norah Jones

E
I m too foggy today,
A
To know what you re sayin ,
E
Your lips are moving so fast,
A
And I just keep praying,
B
For them to slow down,
C#m B A
So I can make some sense,
Am E
Of the words that are pouring out,
B
Of your crooked spout.

E B
Last night was a record to be broken,
E B
It broke all over the kitchen floor,
A B
Oh no don t you go,
C#m B A
I m coming back with a rag,
Am E
To wipe away the haze from the days,
B E
We ve forgotten all about.

D A
So be my somebody tonight,
E
Be the one who ll hold me tight,
D A E
Honey, please, please,
D A
Cuz I ve been so all alone,
E
And no one will pick up the phone,
D A E
So honey, please stay.

(solo)

E B
I held your head up, do you remember?

E **B**
When you wanted to make a blanket outta me,

A **B**
Oh I can't lie ...

C#m **B** **A**
I been keeping score,

Am **E**
And it's your turn to wring me out,

B **E**
And lay me down to dry.

D **A**
So be my somebody tonight,

E
Be the one who'll hold me tight,

D A E
Honey, please, please,

D **A**
Cuz I've been so all alone,

E
And no one will pick up the phone,

D A E
So honey, please stay.

D A E
Honey, please stay,

D A E
Honey, please stay.
