

December

Norah Jones

Well, I m pretty sure these are the accurate chords, though the A7 part is quite

tricky, but it sounds okay.

The guitarist plays the chords with the notes changing in the bass, like this:

E/E, E/B; B/B, B/F#; etc; it s not that hard to figure it out.

E **B**
December, come to me

I hope I can see **B**

B
E
 You re not just in dreams

E7 **A**
I will let you be

Why can t you believe

B **E**
How much you really mean?

E **B**
December, won t you come

Back with snow, even sun?

Don t say that it s done

E7	A
I will carry you home	

A7 **E** **B**
Take you from the loneliest place

E
You have known

E7 **A**
I will carry you home

A7 **E** **B**

Take me from the loneliest place

E
I have known
