

Hands On The Wheel
Norah Jones

Transposed from the original by Willie Nelson

Intro **F C F C**

F **F** **A#**
At a time when the world seems to be spinnin
F **C** **F**
Hopelessly out of control
F **F** **A#**
There s deceivers and believers and old in-betweeners
F **C** **F**
That seem to have no place to go

C **C** **A#** **F**
Well it s the same old song, it s right and it s wrong
Dm **C#** **C**
And livin is just something that I do
F **F** **A#**
And with no place to hide, I looked in your eyes
F **C** **F**
And I found myself in you

C **C** **A#** **F**
I looked to the stars, tried all of the bars
Dm **C#** **C**
And I ve nearly gone up in smoke
F **F** **A#**
Now my hand s on the wheel of somethin that s real
F **C** **F** **(A#)** **F**
And I feel like I m goin home

F **F** **A#**
And in the shade of an oak, down by the river
F **F** **C**
Sat an old man and a boy
F **F** **A#**
Settin sails, spinnin tales, and fishin for whales
F **C** **F**
With a lady that they both enjoy

C **C** **A#** **F**
Well it s the same damn tune, it s the man and the moon
Dm **C#** **C**
It s the way that I feel about you
A **A** **D**
And with no place to hide, I looked in your eyes

F **C** **F**
And I found myself in you

C **C** **A#** **F**
I looked to the stars, tried all of the bars

Dm **C#** **C**
And I ve nearly gone up in smoke

F **F** **A#**
Now my hand s on the wheel of somethin that s real

F **C** **F** **(A#)** **F**
And I feel like I m goin home
