Tntro, Chorus and Verse are fairly standard. Interesting post-chorus progression
with chords but otherwise.

Amazing song! I didn t see any tabs or chord

charts up for this so please enjoy and email me with any errors you see.

***CHORD NAMES are most likely wrong, my apologies. I will tab the chords so you
know

exactly what to play. They will be displayed at the bottom.***

Intro: **C2**

Pre-Verse: **C - Am - Gadd4**

VERSE

Fadd9 **C**
I went tasting salty rain...
Fadd9 **C**
Morning spirits in the foam...
Fadd9 **F5** **C** **Gadd4**
And in some strangers pain... - Or maybe joy, I was all dried up...

VERSE2

Fadd9 **C**
I went whistling in the hills...
Fadd9 **C**
For you cloudy silver fire...
Fadd9 **F5** **C** **Gadd4**
My body tightened up with words... so I exhale, to loosen evil s power.

CHORUS

Fadd9 **C**
When you re ready, I ll be ready
Fadd9 **C** **Gadd4**
Cause I ve been workin , I ve been workin for this
Fadd9 **C**
Yeah, the winds have scattered many

Fadd9 C Gadd4
 It s been driftin us, driftin us away...

(Post-chorus chords) (Interesting timing, listen to the song for this.)

Ohhhh - **Fadd9, C** - Em6th
Fadd9, E - **Esus4**

This is the short fill played after nearly each line in the verses:

```

--->                      --->
e|--3-----3--]
B|--1-----1--]
G|--0----0h2p0-----0h2--]
D|--2-----2p0--0h3--]
A|--3--3-----]
E|-----]
  
```

VERSE3

So who are you working for?
 The kingdoms or the bottle...
 Some status or a one-night stand for the love of your life?
 The bill s in your hand...

CHORUS

When you re ready, I ll be ready
 Cause I ve been workin , I ve been workin for this..
 Yeah the winds have scattered many,
 It s been driftin us , driftin us away.

Now you know! Each verse and chorus is the same. Song progresses as so:

Intro

Versel

Verse2

Chorus

Verse3

Outro

(The Song s outro is entirely composed of the post-chorus chord progression, and then is finished off with a gentle picking/strumming of Gadd4, followed by a final strum of the Fadd9.)

Chords Used - I realize I have probably named most of these wrong. I figured this song out completely by ear, so PLEASE email me the correct chord names if need be. Thank you and enjoy!
