

**Worry**  
**Northcote**

This is Northcote s Worry , 5th track off of Borrowed Chords, Tired Eyes .

Intro: **F, C, G, Am** x 1

Verse 1:

**F**                    **C**                    **G**                    **Am**  
You may take the chance on your profs, or the scene  
**F**                    **C**                    **G**  
on the good word you heard when you were young  
**F**      **C**      **G**                    **Am**  
I may take a swing to knock it out of the park....

Chorus:

**F**  
â€™Cause I donâ€™t know where itâ€™s going  
**C**                    **G**  
but I like where we are  
**F**  
I don t know where it s going,  
**C**                    **G**  
But I like where we are

Interlude: **F, C, G, Am** (x2) **G, Am**

Verse 2:

**F**                    **C**                    **G**                    **Am**  
Our world is loose, so can I hold you tight?  
**F**                    **C**                    **G**                    **Am**  
While weâ€™re finding our truth in the push and pull light  
**F**                    **C**                    **G**      **Am**  
Our love is scolding compared to the cold walk downtown

Chorus:

**F**                    **C**                    **G**                    **C**  
Do you know where its going â€™cause I like what weâ€™ve found  
**F**                    **C**                    **G**                    **C**  
Do you know where its going â€™cause I like what weâ€™ve found

Interlude: **F, C, G, C** (x4) **G, C**

Verse 3:

**F C G Am**  
I may come along, or stay till Iâ€™ve spun around  
**F C G**  
From the heartaches that shuffle and deal....  
**F C G C**  
If we lose control Iâ€™ll never be too far....

Chorus:

**F C**  
â€™Cause I donâ€™t know where itâ€™s going  
**G Am**  
but I like where we are  
**F C**  
â€™Cause I donâ€™t know where itâ€™s going  
**G Am**  
but I like where we are

Outro (Repeat till end): **F, C, G, Am - F, C, G (x4) C, G**
