Off Yesterday, Tomorrow, Today album.

Verse:

**C** **Am**  
I m just a simple man, dont have a lot to plan

Dont need a loving wife, cant use eternal life.  
**C** **Am**  
I know what thinks are worth, right across this earth  
**F** **Dm** **F** **G**  
But what price peace of mind, when I just cant unwind.

Chorus:

**F** **Em** **Am** **Dm** **F**  
All I want is more than this, and all i ve got i ll give away  
**F** **G**  
For a second of your kiss.  
**F** **Em** **Am** **Dm** **F**  
I m a man with simple means, i m not driven on by greed  
**F** **G**  
But there must be more than this.

Verse:

**C** **Am**  
We ve lost our innocence, i m trying to break down this fence  
**F** **Dm** **F** **G**  
All the world has built around me, i m flying away dont try to ground me  
**C** **Am**  
If the colour of money s green, what s the taste of love unseen  
**F** **Dm** **F** **G**  
I once caught a glimpse but now it s gone.

Chorus:

**F** **Em** **Am** **Dm** **F**  
All I want is more than this, and all i ve got i ll give away  
**F** **G**  
For a second of your kiss.  
**F** **Em** **Am** **Dm** **F**  
I m a man with simple means, i m not driven on by greed  
**F** **G**  
But there must be more than this.

Middle:

**Em** **Am** **Dm** **F**  
Dont own no house, dont own no land, it wont make me a better man

**Dm** **F** **Dm** **F**  
But with your love i ll have it all, with your love i ll never fall  
**G**  
I m just waiting on your call.
