Attention is what I m, Is what I m needing from you.

**E** **C D**  
Even though you re miles away.

**G** **C**  
It s not that Im pissed off. I m just lonely without you.

**E** **C D**  
And everything will be ok.

**CHORUS**

**G** **C** **E** **C**  
You make my day. You make my night. You make everything alright,

**G** **A** **C D**  
And when you come around you always bring me down.

Repeat verse and chorus and the bridge part is ringing G s.  
The solo part (if that s what you want to call it) is pretty simple so
