 [Intro] x2
F Dm Am Bb Am Gm

[Verse 1]
F
I gotta catch some sleep
         Dm
But I m staying up to think
           Am
Of all the things that are up ahead
       Bb   **Am**   **Gm**   **F**
I can t get out of my head, no
                        Dm   **Am**
And I m hoping that can handle all the heat inside this grand pursuit
         Bb   **Am**   **Gm**
Without you

[Instrumental]
F Dm Am Bb Am Gm

[Pre-Chorus]
     Bb
Why do we always stop to think about what s

Good or bad and right or wrong
Dm
Wanna join the party?
           Db   **C**
Then you re gonna have to sing along

[Chorus]
Dm   **F**
Everything we do it all goes back to you
     Bb   **C**
So, please carry on
     Dm   **F**   **Bb**   **C**
And all I wanna do is find a simple tune and sing it all night long
Bb
And now I m waiting
C
Always waiting
Dm   **F**
I want you to love me
Bb
It s all just hysteria
                      C
Let s jump and crowd the area-a-a-a-oh

[Verse 2]
    F
I m breaking down the walls
      Dm
Gonna try not to slip and fall
          Am
Got people breaking down my doors
       Bb   **Am**   **Gm**
And I m falling through my floors for
F   **Dm**   **Am**
All the things that I m ready to begin and start brand new
    Bb   **Am** **Gm**
I m breaking through

[Pre-Chorus]
    Bb
Why do we always stop to think about what s

Good or bad and right or wrong
Dm
