

So Close

NOTD

Just a quick note before we start, this was done by ear, and may not be perfect. However, I am completely up for suggestions so please leave a comment if you feel like this can be better. Thanks!

[Verse 1]

 C Em
Thinkin about you
 G D
As I m lyin next to someone else

Have you ever wondered

 G
Where we d be

Where we d be now

[Chorus]
