Nothing But Thieves

D Bm **A D**

It s been like a year since I ve been home

Bm **A D**

Flirting with an addiction I can t shake off

Bm **A D**

My mouth is dry, I self medicate

Bm

This comedown won t cure itself

A G

It s driving you away

It s driving you away

Bm G

Piece by piece

A

Day by day

D Em Bm D **Em G**

Baby, tell me if I m being strange

D Em Bm

And if I need to rearrange

D Em

My particles

G

I will for you

D Em

My particles

G

I will for you

D Bm **A D**

And I m a shadow of a ghost

Bm **A D**

It s feeling as if somebody has taken host

Bm **A D**

Babe, I don t wanna make a scene

Bm

But I get self-destructive

A G

It s driving you away

It s driving you away

Bm G

 Baby, tell me if I m being strange
D Em Bm
 And if I need to rearrange
D Em
 My particles
G
 I will for you

A
 Oh, doctor please
Bm
 This don t feel right
G
 Oh, can t you give me something
Bm
 To get me through the night?
A
 If it all falls apart
Bm
 And if this thing goes wrong
G
 Oh put me back together

However you want
D A
 My mind plays tricks
Bm G
 And I don t sleep no more
Bm A
 Oh doctor please
Bm D/A G
 I can t switch off
