

Sorry  
Nothing But Thieves

**G#m**

You might kill me with desire

**F#**

Wind me tighter than a wire

**E**

It s something that you do to me

**B**

I run away like mercury

**G#m**

And I know you think it s rough

**F#**

When you re try na patch us up

**E**

And I say honey what is love?

**B**

You just say I drink too much

**B**

Maybe I m defective

**G#m**

Or maybe I m dumb

**F#**

**E**

I m sorry, so sorry for what I ve done

**B**

Maybe I m bad natured

**G#m**

Or maybe I m young

**F#**

**E**

I m sorry, so sorry for what I ve done

**G#m**

And I m the t-shirt that I wear

**F#**

Pick the thorns out of my hair

**E**

I broke your heart so carelessly

**B**

But made the pieces part of me

**G#m**

And now it hurts what we ve become

**F#**

Cause you taught me how to love

**E**

It s me who taught you how to stop

**B**

And you just say I drink too much

**B**

Maybe I m defective

**G#m**

Or maybe I m dumb

**F#**

**E**

I m sorry, so sorry for what I ve done

**B**

Maybe I m bad natured

**G#m**

Or maybe I m young

**F#**

**E**

I m sorry, so sorry for what I ve done

**B**

I ve waited for this

**G#m**

I m ready for it

**B**

I ve waited for this

**G#m**

I m ready for it

**F#**

**E**

Been waiting so long

**B**

I ve waited for this

**G#m**

I m ready for it

**B**

I ve waited for this

**G#m**

I m ready for it

**F#**

**E**

Been waiting so long

**B**

Maybe I m defective

**G#m**

Or maybe I m dumb

**F#**

**E**

I m sorry, so sorry for what I ve done

**B**

Maybe I m bad natured

**G#m**

Or maybe I m young

**F#**

**E**

I m sorry, so sorry for what I ve done
