

From Gold
Novo Amor

C **Dm**
I ll hold, so near and cold

Am **F9**
You ve exhumed my love

C **Dm**
I m sold, and our story will grow old

Am **F9**
But you ll make dust from gold

(**C** **Dm** **Am** **F9**)

C **Dm**
And I ll know that your heart was once like mine

Am **F9**
Watch the flaws unwind

C **Dm**
And I ll throw my love to the ground

Am **F9**
And I ll tear you out
