**Now, Now**

Hi, first time arranging chords here lol  
Contact: kmrlxrdzn@hotmail.com

**\*Note:**

- This is a Version that I would play hence my rendition of the song thus NOT 100%

CORRECT, barely 50% I think

- I would prefer to play this version acoustically with open chords tho
- The Chords with the bracket is optional to play. But if u do want to play it,  
play it 4 counts same goes to the chord next to it, hence 8 counts total
- Play along with the original Song to get the Strumming I guess
