

Summer In The City
Now United

G **D** **Em**
Hey, the city streets are burning up our feet
C
As we, as we re running wild, as we, as we re running wild

G **D**
Hey, just like the sun
Em
We re gonna blaze it up
C
Cali-California style, Cali-California style

G
I know you feel it like I feel it is the right time
D
We ll be everywhere we go
Em
At the sunroof we can catch a summer vibe
C
Here with me i ts always home

G
Turn it up and keep it popping for the whole night
D
Going so hot vertigo
Em
Just let it go and close your eyes, and be alright
C
Yeah yeah a-ha (eh eh eh)

Am **D**
Summer in the city, we ll be looking pretty
Em
Going at it all night
Am **D**
Summer in the city sing it to me, baby
G
Do-ro-ro-do

Am **D**
Summer in the city we ll be looking pretty
Em
Underneath the sunlight
C **D**
Tell me what you want (ah ah)

I know what you want (ah ah)
