Notes: Arranged by NRBQ with contrasting chords for electric clavinet. To reconcile for solo guitar, add D chord at last beat of verse, and instead of Cadd13 to C in the chorus, try C6add9 (8x7755) to Cadd13 (875555). A simplified arrangement for solo guitar accompaniment in the 1st octave would be: Verse- **G**, **Bm**, **Am7**, **Am/D** (xx0210), **G**, **Bm**, **Am7**, **Am/D** to **D** (on last beat), Chorus- C6add9 (x3x230), C, etc.
