Baby baby we can do all that we want
We re gettin nasty nasty, we re getting freaky deacky
Baby baby we can do more than just talk
Cause I can hear ya hear ya, and I can see ya see ya
Baby baby we can do all that we want
We re getting nasty nasty, we re getting freaky deacky

[Chorus 1]
Digital digital get down (get down) just you and me
(You may be) Twenty thousand miles away but I can see ya
And baby baby you can see me
Digital digital get down (get down) just what we need
If we cant get together naturally
(We can) We can get together on the digital screen

[Justin]
Every time I m sittin all alone girl
I can t wait to get you on the phone girl
So pick it up babe
I can see everything you do
Bouncin me from satelllite to satelllite
I love the things you do for me so late at tonight
So turn me on yeah
It s like I m right there next to you yeah

[Chorus 2 - Justin]
Can we get connected
I need some love and affection baby
I ll call you on the phone
I hope that I get through
If you re in the mood and I m not home,
here s what you do: leave a message
You know the kind I like to get back to

[Repeat Chorus 1 with Justin s echoes]
Yeah

[JC]
I lose my mind just when you re speaking
I see you on the screen, I get to freaking
So get down babe
And I ll get down for you
I get so excited when I m watching girl
I can t wait to see you touch your body girl
It s just me and you
So we can do what we gotta do (yeah)

[Repeat Chorus 2 - JC]
[Repeat Chorus 1 with JC s echoes]

Digital digital digital digital get down (get down)
Digital digital digital digital get down (get down)
[Spoken low]
Baby baby we can do more than just talk
Cause I can hear ya hear ya, and I can see ya see ya
Baby baby we can do all that we want
We re getting nasty nasty, we re getting freaky deacky
Baby baby we can do more than just talk
Cause I can hear ya hear ya, and I can see ya see ya
Baby baby we can do all that we want
We re getting nasty nasty, we re getting (oh oh) digital

[Repeat Chorus 1 with digitalized echoes]
[Repeat Chorus 1 with digitalized echoes]

Digital digital get down (get down)
Just what we need...
