We re gettin nasty nasty, we re getting freaky deacky  
Baby baby we can do more than just talk  
Cause I can hear ya hear ya, and I can see ya see ya  
Baby baby we can do all that we want  
We re getting nasty nasty, we re getting freaky deacky

[Chorus 1]  
Digital digital get down (get down) just you and me  
(You may be) Twenty thousand miles away but I can see ya  
And baby baby you can see me  
Digital digital get down (get down) just what we need  
If we cant get together naturally  
(We can) We can get together on the digital screen

[Justin]  
Every time I m sittin all alone girl  
I can t wait to get you on the phone girl  
So pick it up babe  
I can see everything you do  
Bouncin me from satellite to satellite  
I love the things you do for me so late at tonight  
So turn me on yeah  
It s like I m right there next to you yeah

[Chorus 2 - Justin]  
Can we get connected  
I need some love and affection baby  
I ll call you on the phone  
I hope that I get through  
If you re in the mood and I m not home,  
here s what you do: leave a message  
You know the kind I like to get back to

[Repeat Chorus 1 with Justin s echoes]

Yeah

[JC]

I lose my mind just when you re speaking  
I see you on the screen, I get to freaking  
So get down babe  
And I ll get down for you  
I get so excited when I m watching girl  
I can t wait to see you touch your body girl  
It s just me and you  
So we can do what we gotta do (yeah)

[Repeat Chorus 2 - JC]

[Repeat Chorus 1 with JC s echoes]
