

CHORUS

Why don't you be my girlfriend
I'll treat you good
I know you hear your friends when they say you should
Cause if you were my girlfriend, I'd be your shining star
The one to show you where you are
Girl you should be my girlfriend

C# **Cm**
Ever since I saw your face, nothing in my life has been the same
C#
I walk around just saying your name
Cm
Without you my world would end
C#
I looked around this whole damn place and
Cm **G#**
everything says you were meant to be
Gm **(G#)**
My girlfriend

CHORUS - (volte a fazer no mesmo tempo **G#** e **Gm**)

Why don't you be my girlfriend
I'll treat you good
I know you hear your friends when they say you should
Cause if you were my girlfriend, I'd be your shining star
The one to show you where you are
Girl you should be my girlfriend
