[Verse 1]

G **Em**
Can this be true tell me can this be real,
F **C** **G**
How can I put into words what I feel,
G **Em**
My life was complete, I thought I was whole,
F **C** **G**
Why do I feel I am losing control
F **C**
Never thought that love could feel like this
F **C**
You changed my world with just one kiss
F **Em**
How can it be, that right here with me
F **G**
There s an Angel, A miracle

[Chorus]

C **F** **G** **C**
Your love is like a river, peaceful and deep
C **F** **G** **C**
Your soul is like a secret that I never could keep
C **F** **G** **Am**
When I look into your eyes I know that its true
Bb **Am** **F** **G** **C**
God must have spent a little more time on you

[Verse 2]

(repeat as in verse 1)

In all of creation, all things great and small
You are the one that surpasses them all
More precious than any diamond or pearl
They broke the mould when you came in this world
And I m trying hard to figure out, just how I ever did without
The warmth of your smile, the heart of a child

That s deep inside, must be purified

[Chorus]

Never thought... Miracle

[Chorus]

Ad Lib as you see fit

Hope you enjoyed it.
