Intro:       A           E/G#       D/F#       E       D

**Bm**                   **F#m** **E**                   **A**  
Lying in your arms so close together  
**Bm**                   **F#m**       **E**  
Didn't know just what I had  
**Bm**                   **F#m** **E**                   **A**  
Now I toss and turn cause I'm without you  
**Bm**                   **F#m**       **E**  
How I'm missin' you so bad  
          **D**                                   **E**  
Where was my head, where was my heart  
**D/F#**                   **E/G#**  
Now I cry alone in the dark

**A**       **E/A**       **D/A**                   **A**  
I lie awake I drive myself crazy  
**D/F#**                   **E/G#**       **D**                   **E**  
Drive myself crazy thinkin' of you  
**A**       **E/A**                   **D/A**                   **A**  
Made a mistake when I let you go baby  
      **D**                                   **A/C#**  
I drive myself crazy  
**Bm**                   **A/C#**  
Wanting you the way that I do  
**D**                                   **A/C#**       **Bm**       **E**  
Wanting you the way that I do

**Bm**                   **F#m** **E**                   **A**  
I was such a fool I couldn't see it  
**Bm**                   **F#m**       **E**  
Just how good you were to me  
**Bm**                   **F#m**  
You confessed your love  
**E**       **A**  
Undying devotion  
      **Bm**                                   **F#m**                   **E**  
And I confessed my need to be free  
      **D**                                   **E**  
And now I'm left with all this pain  
      **D/F#**                   **E/G#**  
I've only got myself to blame
