Pursuit of Happiness

From the Album Schizophonic
Transcribed by Iain Sword

All guitars tuned down one full step to:

6	5	4	3	2	1
D	g	c	f	a	d

The timing is not quite right so listen to the song to get an idea of exactly how the finger picking should be played.

Well there it is, it s a little rough in places but you should be able to work out the whole song from here. Hope you enjoy, it really is a great song. If you have any comments or queries please mail me at:

I would also be very grateful if someone would either post on the OLGA or mail me the solo.

Have Fun !!!
