2 WEEKS IN DIZKNEELANDE from Schizophonic
TABBED BY SCOTT GEPPERT

This is how I decided it best to play NUNO s 2 WEEKS IN DIZKNEELANDE in the five minutes I took to try and figure it out. I have looked for six months for *.tab to ANY NUNO songs from Schizophonic. I even got some Extreme stuff off OLGA. I would appreciate anyone with any NUNO stuff E-Mailing me at DGeppert@*. I m not going to B.S. about doing this from memory with no music or guitar at hand, I never knew it in the first place, I have the album and a guitar. If I screw up, I just suck, and that s it. Not my fault.

The included lyrics were simply cut & pasted from a page called Kramer s Korner, the best NUNO site that I have run across, so if there s amistake, Not my fault.

This my first *.tab, so due to my insufficient experienge in this gnere, It just may suck! Not my fault.

****NOTE**** Slide around with the powerchords and listen to the album. Don t have it?? Not my fault.

Key:
= slide

Lyrics From Kramer s Korner

YOU RE NOT MY FATHER
YOU RE NOT MY FRIEND
YOU RE JUST A STRANGER FILLIN IN

CONVINCE MY FAMILY
GOOD KID I AM
YOU LL TAKE ME DOWN TO DIZKNEELANDE

HELP ME

WHY AREN T WE FLYIN
YOU D RATHER DRIVE
HOTELS ARE FUN ALONG THE WAY

YOU SCRUB ME WET
YOU DRY ME CLEAN
WE RE OFF TO SPEND THE DAY WITH MICKEY

HELP ME

COME BACK FOR DINNER
ICE CREAM DESSERT
SIT ON YOUR LAP AND WATCH THE TUBE

NIGHTTIMES FOR GROWNUPS
BATHE ME TO BED
YOU SCRUB ME, RUB ME, RUB ME
TUCK ME IN AND WE PRETEND

HELP ME

As far as comments go, I know this is wrong, so shut up if you can't do any better. Seeing as how I have been looking for the real *.tab of this or any other NUNO creation, If anyone has any corrections or replacements for this temporary *.tab, post them and/or E-Mail me at DGeppert@*

Thanks,
Scott BOB Geppert
