**Nyoy Volante**

EACH DAY WITH YOU  
Nyoy Volante & Mannos  
Chords by: marxdiva\_2005@yahoo.com

INTRO: C - D/C Bm Em Am D9.....

G           Gsus                   CM7                   F  
Flowers for you on this lovely evening  
G           Gsus                   CM7                   F  
They have no words, they share my feelings  
Em    Em/Eb           Em/D           Em/C#  
As we walk along the avenue  
Am                   Bm                   CM7                   D9  
Pardon me, I just can't help staring at you

(Repeat above Chords)  
As I look into your sparkling eyes  
I float in the air and wander in paradise  
You give my heart a source of inspiration  
Your beauty is beyond imagination

CHORUS

G                   Am                   Bm                   C  
You are the one, the only one that I desire  
G                   Am                   Dm7                   Gsus  
When we touch, when we're one, you light the fire  
C                   D/C                   Bm                   Em  
The seasons we share hand in hand, there seems to be no time  
Am                   D                   G - CM7 - F  
Each day with you becomes a valentine

(Same Chords as Stanzas 1 & 2)  
Time must go on and so must we  
Moments slip away but not the memories  
One day as we look back, we'll always treasure  
Candlelight that shines beyond forever

CHORUS

G                   Am                   Bm                   C  
You are the one, the only one that I desire  
G                   Am                   Dm7                   Gsus  
When we touch, when we're one, you light the fire  
C                   D/C                   Bm                   Em  
The seasons we share hand in hand, there seems to be no time  
Am                   D                   C - D/C - Bm-B7

Each day with you becomes a valentine
