

The Greatest Showman

O Rei do Show (The Greatest Showman)

Ladies and gents, this is the moment you ve waited for

Bm

Woah

Been searching in the dark, your sweat soaking through the floor

Bm

Woah

And buried in your bones there s an ache that you can t ignore

Taking your breath, stealing your mind

And all that was real is left behind

Bm

Don t fight it, it s coming for you, running at ya

Bm

It s only this moment, don t care what comes after

Bm

Your fever dream, can t you see it getting closer

Bm

Just surrender cause you feel the feeling taking over

Bm

It s fire, it s freedom, it s flooding open

It s a preacher in the pulpit and you ll find devotion

There s something breaking at the brick of every wall it s holding
