```
All Or Nothing
O-Town
[Verse]
I know when he s been on your mind
That distant look is in your eyes
                                      Am
I thought with time you d realize it s over, over
It s not the way I choose to live
And something somewhere s gotta give
A share in this relationship gets older, older
You know I d fight for you but how could I fight
          Αm
somone who isn t even there
I ve had the rest of you now I want the best of you I
don t care if that s not fair
[Chorus]
Cuz I want it all
Or nothing at all
                        (Em)?
         Am
There s nowhere left to fall
When you reach the bottom it s now or never
Is it all
Or are we just friends
Is this how it ends
            (???)
With a simple telephone call
```

You leave me here with nothing at all

```
There are time it seems to me
I m sharing you with memories
                                   Αm
                                            Em
I feel it in my heart but I don t show it , show it
Then there s times you look at me
As thought I m all that you could see
                    G
                                      Am
Those times I don t belive it s right I know it ,
know it
                           G
Don t make me promises baby you never did know how to
            Em
keep them well
                            G
I had the rest of you now I want the best of you it s
time to show and tell
[Chorus]
[Same Chords as above]
Cuz I want it all
Or nothing at all
There s nowhere left to fall
When you reach the bottom it s now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all
Cuz you and I
Could lose it all if you ve got no more room
Nowhere inside for me in your life
[Chorus]
Cuz I want it all
Or Nothing at all
There s nowhere left to fall
It s now or never
```

[Verse]

Is it all
Or Nothing at all
When you reach the bottom it s now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all
