

Love Should Be A Crime

O-Town

Hey, this is my first official tab! Woo-hoo! This song is pretty good, considering that it s by a boy band, but let s just overlook that. This is just the acoustic guitar portion, I haven t figured the electric guitar part...yet. It s really easy and fun to play. Enjoy!

Intro, Chorus, Verse (Strumming pattern not shown)

```
E--0--0--0--0--|
B--3--3--3--3--|
G--2--1--0--2--|
D--0--0--0--0--|
A-----|
E-----|
```

And it ends with this...

```
E----0-----0-----0-----2--|
B-----3-----3-----3-----3--|
G--2-----2--1-----1--0-----0--2--|
D-----|
A-----|
E-----|
```

Too Easy!

What up Wendy!
