

**These Are The Days**  
**O-Town**

Intro: A D A D

A D  
Motel, sitting in the dark,  
A D  
empty room like an empty heart  
F#m D  
Lovers stop but they never stay  
F#m D  
They don't look back as they drive away  
A D  
Maybe I...  
A D  
Should fix this broken neon light  
F#m D  
Fill in the cracks and paint it bright  
F#m D  
Then maybe love will stop here tonight  
A D  
And if she knocks on my door  
A  
I'll give her the key  
D F#m  
Just one look in her eyes and I know I'll be  
E D  
Everything that she sees in me  
F#m E D  
More than I ever thought I could be but...

CHORUS:

A D  
These are the days  
A F#m  
When I all that I can do is dream  
G D  
But I don't wanna spend forever  
A E  
Living in the in between  
A D  
I'm stuck here in a place without love  
A F#m  
And I just can't let it stay this way  
G D  
But for now I'm gonna have to face it
