G#5

I can almost believe that youâ€™re real
And its love in my heart I can feel

E5

But thereâ€™s something between us

C#5 **G#5** **F#/A#**

I canâ€™t seem to get through it all

Chorus:

B **F#**

If I could only read your mind

G#m **E**

I would know how to save you this time

B **F#** **G#m** **E**

With love, love is worth the fall

B **F#**

If I could only save the day

G#m **E**

Here in your world I could stay

B **F#** **G#m** **E**

For love, love is worth the fall

G#5

Show me the way let me see
Into your soul let me breath

E5

I will wait through the ages

C#5 **G#5** **F#/A#**

And watch you sleep straight through the night

[Chorus]

G#m **B**

Sleep, darling sleep

G#m **B**

Dream, darling dream

G#m

Hope in those dreams Iâ€™m here

Final Chorus:

B **F#**

If I could only read your mind

G#m **E**

I would know how to save you this time

B **F#** **G#m** **E**

With love, love is worth the fall

B **F#**

If I could only save the day

G#m **E**

Here in your world I could stay

B **F#** **G#m**

For love, love is worth the fall

E **B**

Love, love is worth the fall

F#

I see you right there and you're smiling

G#m

Only in your bed

E

That's my love

B **F#**

It's better learnt lesson when nothing is said

G#m **E**

I lay down beside you here

B **F#** **G#m**

I do it for love, love, love is worth the fall

E **B**

Love, love is worth the fall

F# **G#m**

Love, love is worth the fall

E **B**

Love, love is worth it all
