

**My Life**

**O.A.R.**

Good band, good song.

standard tuning with capo on 5th fret... and from there, the chord sequence for the entire song is just the regular, open string shapes... D A Bm G D A

i TRULY hope you already know these friggen basic chords. if not, here they are. you ve caught me at a good time.

D	A	Bm	G		
<b>A</b>					
(strum 3x)	(4x)	(3x)	(3x)	(4x)	(3x)
-2-----0-----x-----3-----2-----0-----					
-3-----2-----3-----0-----3-----2-----					
-2-----2-----4-----0-----2-----2-----					
-0-----2-----4-----0-----0-----2-----					
-x-----0-----2-----2-----x-----0-----					
-x-----x-----x-----3-----x-----x-----					

intro starts off faster but slows down when the first verse starts. figure out the rythem yourself, not too hard to grasp.

solo-ish stuff coming soon.

.. =]
