(intro) **G D Em7 D**

G **Dsus**
There s an emptiness between us,
Em7 **Dsus**
Been filling up for days,
G **Dsus**
It s heavy on my mind,
 Em7
Fighting all the time,
 Dsus
But we ll never find our way.

G **Dsus**
You swore you would remember,
Em7 **Dsus**
What a shame you had to lie,
G **Dsus**
Now this battle that you re in,
 Em7
Is underneath your skin,
 Dsus
And the fight is in your eyes.

G **Dsus** **Em7** **Dsus**
But one day you ll fall down and there won t be anyone to pick you up again,
G **Dsus** **Em7** **Dsus**
One day you ll fall down and there won t be anyone.

G **Dsus**

You know this ain t pretend now,
Em7 **Dsus**
I d fix it if I could,
G **Dsus**
So pack up all your things,
Em7
Drop off all your rings,
Dsus
Things have changed for good.

G **Dsus**
And you swore you would protect me,
Em7 **Dsus**
You swore you would not lie,
G **Dsus**
Now the battle that weâ€™re in,
Em7
Is in between locked doors,
Dsus
And the fight is in our eyes.

G **Dsus** **Em7** **Dsus**
But one day you ll fall down and there won t be anyone to pick you up again,
G **Dsus** **Em7** **Dsus**
One day you ll fall down and there wont be anyone.

BRIDGE

C **G**
All these lonely days lead to lonely nights,
Em **D**
And alone tonight, I sleep.
C **G**
Trapped inside what became my life,
Em **D**
And it s all because of me.

G **Dsus** **Em7** **Dsus**
One day you ll fall down and there won t be anyone to pick you up again,
G **Dsus** **Em7** **Dsus**
One day you ll fall down and there won t be anyone, anywhere now.
G **Dsus** **Em7** **Dsus**
One day you ll fall down and there won t be anyone to pick you up again,
G **Dsus** **Em7** **Dsus**
One day you ll fall down and there won t be anyone to pick you up again,
G **Dsus** **Em7** **Dsus**
One day you ll fall down and there won t be anyone to pick you up again,
G **D** **Em7** **D**
To pick you up again.
