I don t know what it is that makes me feel alive

To sing my soul to slepp and take me back to bed

Verse 3

There are many things that I would like to know
And there are many places that I wish to go
But everything s depending on the way the wind may blow

I don t know what it is that makes me feel alive
I don t know how to wake the things that sleep inside
I only wanna see the light that shines behind your eyes

Refrão

Because we need each other
We believe in one another
And I know we re gonna uncover
What s sleepin in our soul
Because we need each other
We believe in one another
And I know we re gonna uncover
What s sleepin in our soul
What s sleepin in our soul

What s sleepin in our soul
What s sleepin in our soul
Cause we believe
Cause we believe
Yeah, we believe
Cause we believe
Cause we believe
Cause we believe
Because we need
Because we need
