Alive
Oasis

E C#m
The people will notice that the times are changing

E C#m
It s just for now but not for good

E C#m
It s my feelings that I think you re draining

E C#m
So take them now if you think you should

F#m A
You want something for nothing

E B
The higher that you climb, the longer you fall

F#m A E B
Maybe your time is coming, will you have to climb when you find the wall

F#m A
Is there time to doubt, is there time to wait

E B
Will you be left alone at the starting gate?

F#m A E A E
I m not blind and I don t mind cause I ve got time now, I m alive

E C#m
The people have noticed that the times are changing

E C#m
But are they gonna do something now

E C#m
I think I ve seen you all hesitating

E C#m
I think I ll go and do something now

(repeat chorus)

E A E

E A E E A E

Yeah, I m alive. And now I m alive. Yeah, I m alive.
