Verse 1

-----

[NOTE: play chords below along with above riff]

E	A
Wake up, there s a new day dawning	
E	A
I think I ll take a little walk for a while	
E	A
I need shades cos the sun is blinding	
E	A
And I can see for miles and miles	
E	A
Yeah I can feel the earth beneath me	
E	A
I lie down we are as one	
E	A
They look but they cannot find me	
E	A
I m off and heading for the sun	

Pre-Chorus

-----

C#m                    A            C#m                                    A  
 I m getting colder,        I feel a chill in the air  
 C#m                                    A  
 There s a change in the weather  
 C#m                                    G#m  
 Here it comes again,  
                                   A            E  
 now I can feel the rain
