

Do You Know What I Mean  
Oasis

From the album: Be here now  
Capo on the second fret!

[Verse 1]

**Em**                                      **G**                      **D**  
Step off the train alone at dawn  
**Em**    **G**                      **D**  
Back into the hole where I was born  
**Em**    **G**                      **D**                      **A**  
The sun in the sky never raised an eye to me  
**Em**    **G**                      **D**  
The blood on the trax must be mine  
**Em**    **G**                      **D**  
The fool on the hill and I feel fine  
**Em**    **G**                      **D**                      **A**  
Don t look back cos you know what you might see

[Verse 2]

**Em**    **G**                      **D**  
Look into the wall of my mind s eye  
**Em**    **G**                      **D**  
I think I know but I don t know why  
**Em**    **G**                      **D**                      **A**  
The questions are the answers you might need  
**Em**    **G**                      **D**  
Coming in a mess going out in style  
**Em**    **G**                      **D**  
I ain t good looking but I m someones child  
**Em**    **G**                      **D**                      **A**  
No-one can give me the air that s mine to breathe

[Bridge]

**E**                      **E7**                      **D**                      **A**  
I met my maker I made him cry  
**E**                      **E7**                      **D**                      **A**  
And on my shoulder he asked me why  
**E**                      **E7**                      **D**                      **A**  
His people won t fly through the storm  
**C**    **D**    **A**  
I said: Listen up man they don t even know you re born

[Chorus]

**Em**                    **G**                    **D**  
All my people right here right now  
**A**                                    **Em**            **G**            **D**            **A**  
D you know what I mean?  
**Em**                    **G**                    **D**  
All my people right here right now  
**A**                                    **Em**            **G**            **D**            **A**  
D you know what I mean?  
**Em**                    **G**                    **D**  
All my people right here right now  
**A**                                    **Em**            **G**            **D**            **A**  
D you know what I mean?  
**Em**            **G**            **D**            **A**  
yeah yeah

[Verse 3]

**Em**                                    **G**                    **D**  
I don t really care for what you believe  
**Em**                                    **G**                    **D**  
So open up your fist or you won t recieve  
**Em**                                    **G**                    **D**                    **A**  
The thoughts are the words of every man you ll need  
**Em**                                    **G**                    **D**  
So get up of the floor and believe in life  
**Em**                                    **G**                    **D**  
No-one s ever gonna ask you twice  
**Em**                                    **G**                    **D**                    **A**  
Get on the bus and bring it home to me

[Bridge]

**E**            **E7**            **D**            **A**  
I met my maker I made him cry  
**E**            **E7**            **D**            **A**  
And on my shoulder he asked me why  
**E**            **E7**            **D**            **A**  
His people won t fly through the storm  
**C**                                    **D**                                    **A**  
I said: Listen up man they don t even know you re born

[Chorus]

**Em**                    **G**                    **D**  
All my people right here right now  
**A**                                    **Em**            **G**            **D**            **A**  
D you know what I mean?  
**Em**                    **G**                    **D**

All my people right here right now

**A**                                  **Em**                  **G**                  **D**                  **A**

D you know what I mean?

**Em**                                  **G**                                  **D**

All my people right here right now

**A**                                  **Em**                  **G**                  **D**                  **A**

D you know what I mean?

**Em**                  **G**                  **D**                  **A**

yeah yeah

(repeat twice)
