```

(verse 1)

```

Am                                     C B/C
I don t feel as if I know you, you take up all my time
Am                                     C B/C
The days are long and the nights will blow you away, cos the sun don t shine
Am                                     C B/C
Nobody ever mentions the weather can make or break your day
Am                                     C B/C
Nobody ever seems to remember life is a game we play

```

(pre-chorus)

```

E             Am             F             G
We live in the shadows and we had our chance and threw it away
           C             B/C     Am             F             G2
and it s never gonna be the same coz the years are falling by like the rain
E | -----0-----0-----0-----1-----3-----
B | -----1-----1-----1-----1-----3-----
G | -----0-----0-----2-----2-----4-----
D | -----2-----3-----5-----
A | -----3-----2-----0-----3-----5-----
E | -----1-----3-----

```

(same chords as previous two lines)

And it s never gonna be the same
Till the life I knew comes to my house and says

(main riff)

Hello

(verse 2)

There ain t no sense in feeling lonely, they got no faith in you
But I got a feeling you still owe me, so wipe the shit from your shoe
Nobody ever mentions the weather can make or break your day
Nobody ever seems to remember life is a game we play

(pré-chorus - same as above)

F	G2	Am2
Hello!	Hello!	Hello!

(repeat a bunch of times)

	Am2	
said it s good to be back,	it s good to be back	

(repeat) F G2 Am2 a bunch of times, and song ends on Am2
