Verse

The first thing I saw as I walked through the door
 was a sign on the wall that read
 It said you might never know what I want you to know
 What s written inside of your head

And time as it stands won t be held in my hands
 Or living inside of my skin
 And as it fell from the sky I asked myself why
 Can I never let anyone in?

Chorus

I thought that I heard someone say now
 There s no time for running away now
 Hey now! Hey Now!

Feel no shame- cos time s no chain
 Feel no shame

Verse

I hitched a ride with my soul by the side of the road
 Just as the sky turned black
 I took a walk with my fame down memory lane
 Never to find my way back

You know that I gotta say time s slipping away
 And what will it hold for me
 What am I gonna do while I m looking at you
 You re standing ignoring me
