

**I Hope, I Think, I Know**  
**Oasis**

INTRO/VERSE - **D** **Em** **G** **Bm** **A** **G**

VERSE

**D** **Em** **G**  
They re trying hard to put me in my place  
**Bm** **A** **G**  
And that is why I gotta keep running  
**D** **Em** **G**  
The future s mine and it s no disgrace  
**Bm** **A** **G**  
Cos in the end the past means nothing

You tell me I m free then you tie me down  
And from my chains I think it s a pity  
What did it cost you to wear my crown  
You don t like it so why don t you admit it

BRIDGE

**A** **Em**  
D you feel a little down today?  
**G** **D**  
Bet you ain t got much to say?  
**A** **Em**  
You re gonna miss me when I m not there  
**G-G G-G G-G** ....(listen to song and you ll  
understand)  
And you know I don t care, you know I don t care

CHORUS

**D** **A** **G-G** ....  
As we beg and steal and borrow  
**D** **A**  
Life is hit and miss and this  
**Em** **G**  
I hope, I think, I know  
**D** **A**  
And if I ever hear the names you call  
**Em** **G** **F#m**  
If I stumble catch me when I fall  
**A**  
Cos baby after all, you ll never forget my name

**Em** **G** **A**  
Then return back to the CHORUS.

DO YOU KNOW WHAT I MEAN  
>From Be here now

Verse 1:

**Em**                                **G**                **D**  
Step off the train alone at dawn  
**Em**                                **G**                **D**  
Back into the hole where I was born  
          **Em**                                **G**                **D**                **A**  
The sun in the sky never raised an eye to me  
          **Em**                                **G**                **D**  
The blood on the trax must be mine  
          **Em**                                **G**                **D**  
The fool on the hill and I feel fine  
**Em**                                **G**                **D**                **A**  
Don t look back cos you know what you might see

Verse2:

**Em**                                **G**                **D**  
Look into the wall of my mind s eye  
**Em**                                **G**                **D**  
I think I know but I don t know why  
          **Em**                                **G**                **D**                **A**  
The questions are the answers you might need  
**Em**                                **G**                **D**  
Coming in a mess going out in style  
**Em**                                **G**                **D**  
I ain t good looking but I m someones child  
**Em**                                **G**                **D**                **A**  
No-one can give me the air that s mine to breathe

Bridge:

**E**                **E7**                **D**                **A**  
I met my maker I made him cry  
          **E**                **E7**                **D**                **A**  
And on my shoulder he asked me why  
          **E**                **E7**                **D**                **A**  
His people won t fly through the storm  
                  **C**                                **D**                                **A**  
I said: Listen up man they don t even know you re born

Chorus

**Em**                                **G**                                **D**  
All my people right here right now  
          **A**                                **Em**                **G**                **D**                **A**  
          D you know what I mean?  
**Em**                                **G**                                **D**  
All my people right here right now  
          **A**                                **Em**                **G**                **D**                **A**  
          D you know what I mean?  
**Em**                                **G**                                **D**  
All my people right here right now  
          **A**                                **Em**                **G**                **D**                **A**  
          D you know what I mean?

Em G D A  
yeah yeah

### Verse3

Em G D  
I don t really care for what you believe  
Em G D  
So open up your fist or you won t recieve  
Em G D A  
The thoughts are the words of every man you ll need  
Em G D  
So get up of the floor and believe in life  
Em G D  
No-one s ever gonna ask you twice  
Em G D A  
Get on the bus and bring it home to me

### Bridge:
