Here s a song
It reminds me of when we were young
Looking back at all the things we ve done
You gotta keep on keepin on

Out to sea
Is the only place I am honestly
Can get myself some piece of mind
You know it s getting hard to fly

If I m to fall
Would you be there to applaud
Or would you hide behind them all
Cos if I have to go
In my heart you ll grow
And that s where you belong

As Churchill said, It s every Englishman s inalienable right to live
where the hell he likes

What s it going to do, vanish? It s not going
to be there when I get back?
