

**Its A Crime**  
**Oasis**

This is probably the best Oasis song you ve never heard-- recorded as a demo with the SOTSOG sessions, I m holding out hope that this one will be on the new record.

The version that I have heard is just Noel singing and playing an acoustic guitar. There are more lyrics that I don t have written out but this should cover about all the chords at least.

**C E Am G F**  
Well you can say what you want but you won?t get a thing from me  
**C E Am G F**  
And if you don?t understand that its all in your hands what you need

Chorus

**C F E Am G F**  
Let there be love, let there be love  
**C F E Am G F**  
Let there be love, let there be love

But you can say what you feel and you might never steal from me  
And then you must understand that its all in your hands what you need

Chorus

Bridge

**E7 G**  
And I never knew  
**F G Am**  
that all the things you?ve done are coming right back to you  
**F G C**  
But everybody knows that its no crime  
**E7 Am F**  
It doesn?t make you feel ashamed  
**G Am**  
You?ve never said what you?ve done and its not me to blame  
**F G E7 Am F G**  
But everybody knows yeah everybody knows, everybody knows that its no crime
