

Keep The Dream Alive
Oasis

Obs.: A letra que está sem cifra é igual a primeira parte,
por isso não coloquei as notas.

Intro: **B C#m**

B C#m B
Four Seasons.. seconds flick and flash... I`m alone

C#m

B C#m
A lonely scream provides the scene
F#
It`s no home

E C#m
Every night I hear you scream,

E A
But you don`t say what you mean

B C#m B C#m
This was my dream, but now my dream has flown

I`m at the crossroads waiting for a sign
My life is standing still, but I`m still alive
Every night I think I know
In the morning where did he go
The answers disappear when I open my eyes

B
I`m no stranger to this place

B
Where real life and dreams collide

C#m
And even though I fall from grace

B
I will keep the dream alive
